

SIERRA

If open plan living is your thing then the Sierra has it in spades. From the moment you enter this home, you know you'll have room for all the family or friends coming to stay.

With carpeting almost throughout, the Sierra feels plush for the price point. The lounge has distinctive front windows, which make it stand out from the crowd, and you can even add in optional French doors to add to that sense of light and space.

A big deep L-shaped sofa is super comfortable and we know you'll soon have your feet up reading a book or listening to your favourite tunes.

The Sierra is stylish, practical and affordable making it one of the most popular models in the Willerby range.
